

STAFF

Changes to our staff compliment were minimal and the new appointees have fitted in well. July 2008 saw us say "Farewell" to Frank Phillipps and "Hello" to Jonathan van der Nest. Jonathan, with his quiet easygoing nature easily took the village under his wing. It was also the month that Petro Fridey chose to retire from service and go on pension. We saw Petro off with a Retirement party and then Mary Lee Arnot joined as Social Work Assistant and Home Help Supervisor. She has put her organisational skills to good use in the particularly often messy business of medicine collection. A month later we said "Happy Retirement" to an ABCA stalwart, Paulina Masoka, the Eleanor Murray Centre Cook as she also chose to retire after 32 years of service. Members gave her a memorable party where she was served as Guest of Honour. Eunice was appointed as Cook and Florence Level took up the post of Kitchen Domestic at the centre without a hiccup in meal preparation.

Zukie took off some time from January to March 2009 to become a Mom. She welcomed a beautiful baby girl, Lisakhanya, into the world on 05 February. Zimkita, her temp, looked so much like her that many residents did not even realise that Zukie was away!

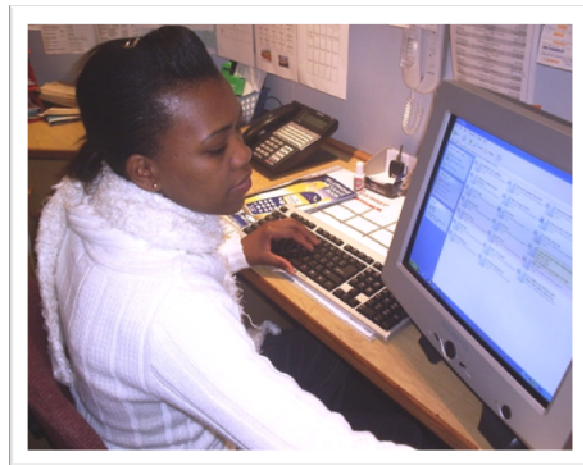

We said "Happy Retirement" to Paulina Masoka. After 32 years of service she deserves a break and we wish her well.

We said "Happy Birthday" to Lisakhanya, a new addition to Zukie's family. She certainly had no shortage of people wanting to hold her. Here she is in both Yvonne and Denise's arms, with Zukie (the proud mom), Natie and Lisa looking on.

Ken Norsworthy, Night Manager and his late wife Norma made sure Buffelsfontein residents were safe and warm during the Power Crisis that left the Village in darkness for three days.
